

LGBTQ+ SERVICES ACROSS GLASGOW CITY

GLASGOW CITY HSCP HAS FUNDED A RANGE OF HEALTH AND WELLBEING SERVICES TO SUPPORT LGBTQ+ PEOPLE

LGBT Youth Scotland, LGBT Health and Wellbeing, and LEAP Sports are committed to the 'no wrong door' approach. That means that we take responsibility to join up our support. If someone is accessing one of our services but needs the support of another, our teams will signpost or refer those people between us to ensure the best possible outcomes. It also means that if you as a practitioner are not sure which of the various groups or services on these pages are the best options or indeed you think a range of options might best suit, you can contact any one of our general referral points to discuss this.

LGBT Youth Scotland is Scotland's national charity for LGBTQ+ young people, aged 13-25. Our services can help LGBTQ+ young people make new friends, feel more connected to their community, pick up new skills, and make positive choices.

OUR SERVICES

We offer weekly youth groups and 1:1 assessed based coaching with a youth worker to help young people achieve their goals. These can be in person at the LGBT Youth Scotland offices 3/2, 30 Bell Street, Glasgow, G1 1LG or on our Pride and Pixels Discord server.
